Eighth Month 1902.

Salem Local Meeting on Ministry and Oversight held at Lynn Dec 13 - 1902.

The matter of contributing to the running expenses of carrying on the work at the Chapel which was referred to the business meeting of Lynn again claimed our attention and the clerk of that meeting reported that at present they did not feel that they could assume the running expenses but in the near future they might be able to render some assistance. It was thought best to refer the matter of raising funds for the support of the

2
work to the Monthly Meeting with
the thought that the Finance Committee
may take some action thereon.

Adjourned to meet the Fourth Day
before the Monthly Meeting in 10th month.

The attendance has been about 15 for the Sabbath morning meeting and 5 at the midweek meeting.

Gym meeting has had an average attendance of about 70, at the first day morning meeting and from 6 to 10 at the mid-week meeting.

On what was termed Bethel's Week Sabbath August 1st Jones, a former resident of Gym was present and addressed the morning meeting. On another occasion Benj. F. Fryeblood spoke on the subject of Peace from the Friends stand Gym.

A called meeting of the Meeting on
Ministry + Oversight, held at Silsbee St.
Meeting House, 12th mo. 2^d 1907.

The clerk being absent, Geo. C. Kerkner is
appointed clerk pro tem.

Charles Burk expressed a concern that he
had, for the welfare of the several meetings
represented by us, and his desire, that there
might be a larger feeling of unity and
fellowship between the members, that would
result in more active religious effort in the
direction of making our work as a church
productive of greater good.

His feeling of our friend was shared by
those present and resulted in a free
interchange of thought regarding this
important subject.

The hope was entertained that whatever
may have been said or done in the past

that was unkind or unfriendly, might be passed by & forgiven, and that we might enter upon the future with a united purpose to work together for the advancement of the Kingdom of Jesus Christ and the upbuilding of the church.

We appoint Charles Burk, Oscar E. Moxstrom, Geo. Herbert, Anna McPaig, James F. Cooper, Charlotte C. Hitchin, Fred W. Blanchard and W. Carleton Jones.

a committee to confer with the members of the Monthly Meeting who are not actively identified with either of the local meetings, to ascertain their preference as to which meeting they prefer to attend and support.

A proposition was made that a series of meetings be held during the present winter, in each of the three congregations, which was favorably entertained and the subject was referred to the committee above named, with power to take such action

as may seem best.

The relation of the congregation at East Lynn to the Monthly Meeting was considered and it was concluded to bring the subject to the attention of the latter.

The facts briefly stated are as follows - viz:

At the time of the establishment of a business meeting at East Lynn, the conditions that then existed, warranted and justified such a course, as there were then in the meeting a minister several Elders and two Overseers.

At present there is no minister, one Elder and only one Overseer.

According to the discipline a meeting or congregation is under the supervision of Ministers, Elders & Overseers, who are the officers of the Monthly Meeting; the discipline also requires that two Overseers shall be chosen for each separate congregations.

In the light of existing conditions it seems

questionable to this body, whether the business
and Pastoral Committee
meeting at East Boston has the right standing.

After a season of earnest prayer the meeting
adjourned

the evening meeting 60 - and week

the membership is improved - as evidenced
by increased attendance on meetings for

worship. No particular enquiry has been made
 into the practice of janitor's worship but we
 think it is quite general. Different members
 of our meetings have been busy visiting
 smaller meetings, also in Mission and
 C. E. Union work. We have been much
 encouraged by the thoughtful interest shown
 by the older boys & girls in the Bible School -
 three of whom have come into membership
 with us. & one transferred from associate to
 active membership. Last summer we united
 with other churches in open air meetings
 also with the Chapman & Alexander outgo in

x and is as follows -

During the past quarter Silsbee St. meeting
has undergone a decided change -
from a regular pastor and a service in
the ministry covering nearly ten years -
we have been been - with out any settled
pastor. Since Mary E. Weiss left us -
6th and 20th the meeting has been joined
with the services of different - ministers
each First-day. Considering the fact -
that a number of our families and
individual members have been and
are - away from home the attendance
has been encouraging - an average of
56. for the past - seven weeks -
There were present - at the last - morning
meeting which M. E. Weiss attended

240 persons - and 100 in the evening
since then the evening meeting was
discontinued for the summer.

An effort to have the C. Endeavor Mtg
take the place of the evening meeting
proved unsuccessful - owing partly to
the absence of so many from the city.

We are looking forward to the coming
of Murray T. Kenworthy as pastor
the first of next month.

It has been a cause of encouragement
to note the regular attendance and
increasing interest on the part of our
new members.

Sym. Silsbee st - Morning meeting (Sabbath)
average attendance between 80 & 90 Evening
meeting 30 to 40 - Sunday eve. only 20.

tations of the gospel - which we have - should
result - in more vocal services in our meetings
for worship, on the part of the membership
On First-day before city election our pastor
preached a 'No License' sermon: in one

of the Methodist-churches - in exchange
which was quite general - showing a growth
in the spirit of Christian fellowship.

Abeliah Lotak a native of Ramallah - a member
of our meeting there, spoke of the work of the
Boys Learning Home, at a Sabbath evening
meeting a generous subscription was taken.

The Mens Social Union meets monthly

The following summary of the annual reports of the condition of the mtg. is authorized to be forwarded to the Quarterly Mtg. of M. & O.

The following ^{annual} summary is prepared for the Monthly Mtg. and the Quarterly Mtg. of Ministry + Oversight.

Salem reports that with few exceptions, all mtgs. have been regularly held. The help received from the services of several of the Friends from the Lynn Mtgs. has been much appreciated as well as that received from Ellen Winslow of Springfield, Mr. Alfred Cookesley of Boston and Henry Cadbury of Philadelphia. The average attendance is 15. The ave. attendance at Bible School is 23. They have used the credit mark system for securing a Bible and find it works well. Several have already earned the Bible and the results are very satisfactory. At present, the outlook for Salem is more favourable.

The mtg at C. Lynn feels that the coming of George Williams and family into their midst, in 9th Mo. 1909 has been greatly blessed to them. They report that the ~~coming~~ off spiritual

condition and life of the congregation has improved and the attendance upon mtgs. for worship has about doubled. The attendance at First day ~~morning~~ mtg. now is about 40. The Bible School has an enrollment of 95 with an average attendance of 64. A men's class of 14 members has recently been organized. This class has had 2 week night debates and also several social evenings. Beside the regular mid week mtg. a Cottage prayer meeting is held weekly and is a great blessing.

Silber St. Lynn Mtg. Until 6th Mo. 20th, 1909, Mary E. Miers labored faithfully as pastor. During the 3 summer months we had no settled pastor, but the mtg. was favoured with the services of different ministers, each First day. In 9th Mo. the mtg. gladly welcomed the coming of Murray S. Kenworthy as pastor and his work among ^{us} is being blessed. The av. attendance

at First day morning mtg. is about 80 - First day eve. about 35 - mid week mtg. 18. A system of Graded lessons is being used in the Bible School. The Adult class, Murray S. Kimworthy, teacher, has taken up the study of the distinguishing doctrines of Friends. They are now studying the Parables of Jesus.

East Lynn and Lynn mtgs. held 3 weeks of Evangelistic mtgs. during the winter, conducted by the 2 pastors and Jennie E. Reynolds of Portland. Salvation crowned these mtgs. and several have requested membership with us. The Lynn mtgs. have joined the Inter-Church Union, which organization hopes to do work in our city among the foreign population and for the poor, along social lines, as well as open air Gospel Work during the summer season. A new strong working power in our Monthly Mtg. this past yr. is the Friends' Men Social Union. It is affiliated with the federated

Men's Clubs of city which is taking an active part in the formation of a new and better city charter for Lynn. Our men are glad to aid in our civic righteousness. Among the many speakers at the mtgs of this Social Union, Henry Cadbury, who spoke on Activities of Philadelphia Friends was especially helpful.

The ministry in our mtgs. is clear, forcible & persuasive, and the presence of the Holy Spirit is in our midst.*

The business being ~~concluded~~ accomplished we conclude.

Laura A. Ellison, Clerk for the evening.

* Anna R. Williams, Katie B. Coffin & J. N. Mader are appointed to report the mtgs. for the next 3 mos.

Salun Meeting offer the following report:

Believing the field to be sufficiently favorable for an
earnest effort, we recommend that an evangelistic
campaign be carried on within six months, that
the meeting be joined in ministerial care with

life among a number of our members, and several have found Christ as their Savior during the past quarter.

Our average attendance Sabbath morning has been 35+

The ministry is very helpful, the simple gospel of Jesus Christ, and I believe inspired by the Holy Spirit. I believe the ministry is adapted to the needs of the people.

The meeting has a concern that spiritual gifts should be encouraged and developed.

In Twelfth Month John S. Kimball held a series of revival meetings covering about eight days, at which time there were several conversions and a general uplift given to the meeting. In almost every service there was manifest evidence of the working of the Holy Spirit.

We appoint Anna V. Paige, Katie B. Coffin and Emma R. Fisher to report at our next meeting on the

condition of our congregation.

It is the sense of this meeting that in future

each Local Meeting shall prepare an annual report covering the points required by Discipline to be presented at our Meeting in 5th Month.

Reports were received from our several Congregations. From these reports the following Summary has been prepared for Balem Monthly Meeting.

1. The Local Meetings both report an increase in Spiritual Life, among some of their members: one report says - "There is not in the Meeting that depth or earnestness of Spiritual life that would lead to active personal work in the Church & outside."
2. The average attendance upon public worship, for the past year, has been as follows:

Balem,	First Day	—	15 +
Agnes	"	" Morning	64 +
"	"	" Evening	19 +
"	Sixth Day	"	11 +

East Lynn -	First Day Morning -	35 +
" "	" " Evening	34 +
" "	Sixth Day "	22 +

3. Family devotions.

The Lynn Meetings report, "more care is needed in regard to family devotions".

4. Conduct re.

One meeting reports a loving spirit among its members, + the exercise of care in regard to their Christian work.

The other Lynn Meeting hopes for improvement along these lines.

5. Christian work re.

Lynn Meeting reports its Bible School in a very helpful condition, with an average attendance of near 90.

East Lynn Bible School uses a missionary program once a month, the offering being given to Ram-Allah. During the summer a special program, varied each Sabbath, helped

in sustaining the interest, so the attendance never dropped below 40.

Belen reports a good degree of interest in their Bible School: average attendance 18.

Lynn Meeting has added 7 new members, six of these coming from the Christian Endeavor Society. Besides these one Associate Member has asked for full membership.

East Lynn Meeting has received 4 new members, one coming in by Certificate.

Lynn Meeting reports a week of special meetings, conducted by the Pastor, which were very helpful.

East Lynn Meeting had two series of meetings of one week each, one under the leadership of John S. Kimber, the other led by John B. Rittrell of Indiana. Both were helpful to the Meeting.

Both of the Lynn Meetings have helped in City-wide work through the Lynn

Inter-Church Union; + East Lynn Meeting has united in three Union Services with the Baptist + Christian Churches nearby.

A woman whose converted in one of these meetings has since joined Friends.

East Lynn Meeting thru Mary Jones Connor, has made a systematic house-to-house Census of the adjacent district, in which 308 houses were visited + statistics tabulated.

A "Home Missionary Society" has been organized among the women of this Meeting.

East Lynn also reports two helpful weekly meetings for Prayer (one for men + one for women) outside the regular meetings.

Salem Local Meeting reports the omission of two meetings the past year, on account of stormy weather.

As the result of a concern originating in the Ministry + Oversight Meeting, George S. Williams

+ others regularly attended Salem Meeting for about four months, the meeting being held at 2 o'clock on First Day to make their attendance easier. The result in one conversion, this effort appears to have given the meeting very little permanent help, + Salem Local Meeting now reports that "Unless something unforeseen occurs, it seems hardly advisable to continue the meetings another winter. We shall however endeavor to keep the meeting up thru the summer at least, + shall be glad of the company of any who can attend our meeting."

The Evangelistic & Church Extension Committee of the Yearly Meeting has given advisory care + some ministerial aid to ^{Salem} this meeting, but in view of the foregoing statement it is the united judgment of this meeting that the time has fully come when the Monthly Meeting should take up this

Case for the purpose of helping Salem Friends
to a solution of their business.

The following notice has been received from
Salem Monthly Meeting, viz:—

"At Salem Monthly Meeting of Friends, held
Second Month 9th, 1911, upon receipt of information
from Salem Quarterly Meeting that the action
of our several Meetings, with reference to
acknowledging the gift in the Ministry, passed
by Laura A. Ellison, met with its approval,
due record was made of the acknowledgment
of this gift."

Then adjourned to meet at the usual
time in 8th Month, if the Lord permit.

George S. Williams.

Committee of the Monthly Meeting now having
the matter under consideration, and to report
to the Evangelistic Committee.

A concern was expressed that the members of this meeting should feel themselves in duty bound to be present at the sessions of this body, unless unavoidably prevented. The absence of quite a large number being noticed on this, as well as on previous occasions.

Reporters. — Salem from 10th Mo. 1912 to 1st Mo. 1913

We are glad to report that the work in Salem seems more encouraging than for some time.

Fourth Mo. 27th Lindley H. Fair of Mass. N. H. was with us and his services were much appreciated.

Eleventh Mo. 17th Thomas Wood and Joseph D. Smith were in attendance and as a result of Thomas Wood's visit that day Josephine Lane of Danbury began her labors amongst us.

12th mo. 8th 1912. A larger attendance at our meetings and an increased interest both in our meeting and Bible School is very noticeable since her coming and we trust arrangements can be made for her to remain with us for some time to come.

A Christian Endeavor Society has been organized with a charter membership of about 15.

The average attendance at Sabbath ^{morning} meetings has been about 16.

Lynn. Average attendance Sunday morning 60 Sunday evening, about 25. Mid week meeting fluctuates but is always small except when some subject of special interest is to be discussed. Av. Attendance at Bible School for past quarter 96. A young people's class is being organized. The C.E. has been reorganized with encouraging prospects and some evidence of solid growth among individual members.

East Lynn. The attendance for the last three months First Day morning 26 + First Day evening 17 + Sixth Day morning 14 +

For the past three months we have been provided with a minister or Christian worker every Sunday and we have much to be thankful for in the way God has provided for and blessed us. We have realized his manifest presence in our midst and feel there is a deepening of spiritual life with most of the regular attendants. First Day morning and evening our Elders sit in the facing seats with whom we have for a minister, and Fifth Day evening we have some one chosen for a month to sit at the head of the meeting and either have the care of the meeting or choose some one to sit there with them. We feel this is helpful to the meeting and brings different ones into a more active service. Third day evening we have teachers' meeting. Ruth Smith is our teacher and this has proved a help to those who attend. Now as the old year has passed and we look back, we can see how God has blessed and provided, and as we enter upon the New Year we have good courage knowing God cares for us.
